WHY TASTY SAUSAGE?

Tasty Sausage is cooked fresh daily and each one of our sausages are packed with the perfect blend of spices and seasoning that produce that one-of-a-kind taste. Our guiding principle is flavor, flavor and more flavor. We only serve exclusive German style sausage that you won't find anywhere in Georgia !!

OUR MENU

We serve a variety of sausage including our signature "Original Tasty" which is a smoked sausage that is available in mild or spicy. "The Bratwurst" is our second most popular sausage that we usually serve topped with our signature sauerkraut and mustard. "The Coney" is our traditional hot dog topped with chili, cheese and onions. We bet you can't eat just one!!
